Please read the following and return. If you agree and submit to all the requirements, in the areas designated, print and sign your name and date the application. This must be returned a minimum two weeks prior to scheduled training.

Training objectives:

Participants will:

- Become familiar with the working parts of an ABC portable fire extinguisher.
- Identify and demonstrate how to discharge an ABC portable fire extinguisher.
- Identify when to attempt extinguishment of a fire or evacuate the premises.
- Identify the decision making process when a fire is in its incipient stages.
- Identify what the emergency steps are when a fire is discovered.

Applicant Requirements:

- Must supply extinguishers (approximately 1-4A60BC extinguisher per 2-3 students).
- Used extin guishers must be serviced immediately by a qualified contractor.
- Must submit a Certificate of Insurance naming the Tinley Park Fire Department, the Village of Tinley Park and respective officers, agents, employees and servants.
- Fully executed *Tinley Park Fire Department Fire Extinguisher Training Program Waiver and Release of All Claims* forms for each individual identified.
- A class room area with VCR.
- Students must have safety eyewear available for use.
- Outdoor area (minimum 50 feet diameter & 50 feet from buildings/vehicles and combustibles).
- Outdoor area must be level ground.
- An available water supply.

Note: The training given is to assist the student in becoming more familiar with the working parts and use of an ABC portable fire extinguisher. The practical demonstration only familiarizes the student with the proper discharge of the portable extinguisher, not fire extinguishment. The Tinley Park Fire Department is not responsible for any injuries as a result of this training.
